## LANGUAGES & SKILLS

JavaScript • JavaScript • HTML5 • CSS • React • Redux • C# • SQLAlchemy • PostgreSQL • Sequelize • SQL • MongoDB • Node.js • Express.js • Docker • Heroku • Git • AJAX • Asp.Net • RESTful • Angular • .NET

## PROJECTS

**Astronomers Anonymous** | Javascript, React/Redux, HTML, CSS, AJAX

[Live Site](#) | [Github](#)

*Inspired for space enthusiasts, where users may find other members, view observatories, and sign up*

- Design and successfully implemented Google APIs to present nearby observatories.
- Successfully implement React Hooks and React Router to smoothly switch between pages.
- Research and applied responsive web page design for multiple devices and user-friendly experience.

**Cafe Chic** | Javascript, HTML, SASS

[Live Site](#) | [Github](#)

*A simple single page for a restaurant*

- Created a responsive website where users can hover over active links and react.
- Utilized different effects using CSS selectors.
- Creatively usage of Links to improve viewing and site interaction for users.

## EXPERIENCE

**Walgreens**

Jun 2020 - Dec 2020

*Pharmacy Technician - Tyler, TX*

- Created and maintained centralized electronic files during administrative processes and maintained accurate documentation files at all times.
- Assisted Pharmacist in accuracy of prescriptions and insurance policies within the Walgreens database.
- Processed invoices, file, copy, and other general office duties as requested.
- Understood state regulations, federal laws, company rules and HIPPA regulations of the work requirements for each prescription before, start, and during business operations.
- Assisted in communication with doctor clinics, insurance companies, clients, and other pharmacies regarding health information, refill schedules, change orders, and insurance billing.

**Altice USA**

Feb 2020 - May 2020

*Retention Analyst - Tyler, TX*

- Analyzed client services and actively listened to the needs of my clients.
- Resolved client rapport by demonstrating the de-escalation process and maintaining service for the client.
- General office duties includes printing and organization of files
- Usage of company intranet to update and create client files accordingly, maintain telecommunication databases, and operate within the billing database.

## EDUCATION

**Woz-U Enterprise Apprenticeship Training**

Sep 2021 - Nov 2021

*Immersive 8-week .Net training that included Agile Management, Cloud Computing, and Front End frameworks.*

**Self-Taught Developer**

Dec 2020 - Jun 2021

*Full-stack web development through Free Code Camp and App Academy Open Source.*

## ADDITIONAL ABILITIES
